

RIVER TRAILS PARK DISTRICT TRAIL BLAZERS PRESCHOOL FALL 2012-MAY 2013

Our program is designed to help children grow and learn in a stimulating and nurturing environment. Children will be introduced to basic academic and social skills and will be encouraged to develop problem solving skills, self confidence and creativity. Curriculum activities are planned with the Illinois Learning Standards in mind in these areas: math, science, language, art, motor movement, music and dramatic play. All areas of each child's growth is important and we provide opportunities for intellectual, social, physical and creative growth. Our goal is for each child to develop a love of learning, tools to continue to learn and a positive image of him or herself. Junior and Senior classes are held in our large preschool room at the Weiss Community Center. Tiny Tykes class is held at the Burning Bush Community Center. Children must be toilet trained by December and able to use washroom independently. For Jr. Trail Blazers pull ups are ok until December but staff will not change. For Tiny Tykes Trails Blazers pull ups are ok but staff will not change.
