

Hello Trail Blazers Parents,

The third month of preschool is upon us and the students seem to really be enjoying their time here as they learn and play with friends!

We continue with our jolly phonics curriculum. We introduced the letters “T” and “I” also we learned about the colors black and brown. They had a lot of fun decorating our Fall Trees by finger painting and making Tigers using marbles to create black stripes. They turned out very cute! For the letter “I” they made iguanas and we sang our “Iguana Song” that the kids loved! Also, we had so much fun making black cats and brown bears puppets as a part of learning about the colors.

Books Read:

“Tall Tilly”

“Tap The Magic Tree”

“There was an Old Lady who Swallowed a Bat”

“Scat the Cat”

“Black meets White”

“Inch by Inch”

“Itchy, Itchy Chicken Pox”

“We’re going on a Bear Hunt”

“Baby Bear, Baby Bear”

We hope that everyone is having fun at home working on the homework. We will be using these papers to create an alphabet book at the end of the school year.

“STAR OF THE WEEK” is a part of our Trail Blazers program where students are asked to do a poster about themselves by gluing pictures about their families or other images that describes them. During the special week they are allowed to bring their favorite toy to share with their preschool friends. A special sheet of paper will be sent home two weeks before your child’s presentation.

Event Reminders:

Picture Day is on Thursday, November 10th.

Our 1st Parent-Teacher Conference is scheduled on November 21 and 23.

The Thanksgiving Feast will be a week before Thanksgiving. Look out for more information soon!

Thank you!

Mrs. Tina and Mrs. Monika
