

Hello Senior Trail Blazer Parents,

Thank you to all the parents who volunteered and donated items for our Halloween party. The kids had so much fun! It was such a pleasure to see families enjoying themselves.

We continue with the jolly phonics curriculum. We introduced the letter sounds for “T” and “I”. The kids enjoyed finger painting beautiful and colorful autumn trees and gluing black yarn stripes on their tigers. To help reinforce the letter “I” they decorated iguanas. In class the kids learned about the Inuits and their culture.
